Molly

## Disproportionate Photograph

Take one of your pictures and either change the scale of an object or objects in the picture.

You may also use an object or objects from other pictures.

---

Liam

## Untruthful Photograph

Take a picture and add something to the picture that wasn't there.

For example, you may download a picture of Paris from the internet and put yourself in the picture or you may take two pictures you took and put an object or person from one picture in the other. Make sure that the picture looks as realistic as possible.

The goal is to fool people into believing the picture.
